What is Parks, Recreation, & Tourism?

The PRT Department offers several areas of emphasis, including;

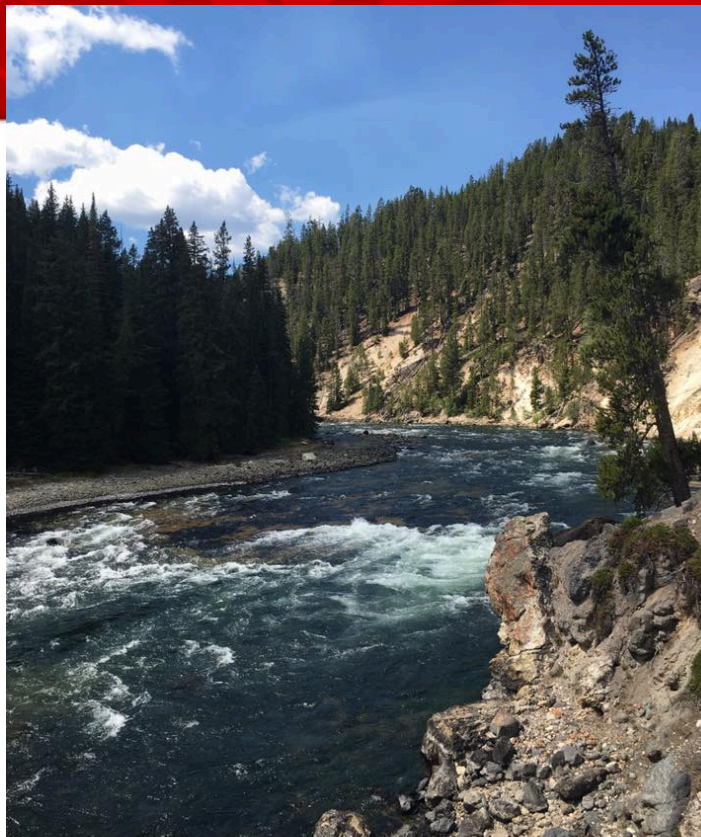

**Community, Commercial, & Sport Management*

**Sustainable Tourism & Hospitality*

**Outdoor Recreation Studies*

**PRT Minor*

**Sustainable Tourism Certificate*

PRT is the perfect major for anyone who

- ✧ loves the outdoors,
- ✧ enjoys sport and sport management,
- ✧ is interested in tourism & hospitality,

and desires to create experiences for their guests.

As a PRT Major in the Sustainable Tourism and Hospitality Emphasis, you will have the opportunity to program an event for part of an underserved population. This year, we have organized a free Hip-Hop Dance Night for the LGBTQ Community. It will include a dance lesson given by an instructor, with dinner afterwards.

This not only gives us valuable experience in programming events, but it also gives us the opportunity to create a welcome and hospitable environment for our guests.
